

ABUNDANCE FOWEY ESTUARY & SURROUNDINGS

ABUNDANCE is a team of volunteers who harvest the seasonal glut of local fruit like apples, pears and plums and redistribute the surplus amongst the community on a non-profit basis. Each year hundreds of fruits go unpicked because people aren't physically able to harvest, there are too many at one time or people don't notice them.

HOW YOU CAN GET INVOLVED:

VOLUNTEER to be a HARVESTER, DISTRIBUTOR, PICKLER or FRUIT PRESSER

Volunteers will have the pleasure of eating fresh, ripe fruit and working alongside enthusiastic people of all ages

HAVE YOU GOT A FRUIT TREE? Donate part of your tree's harvest for distribution in the local community. Donators of fruit will have help picking their fruit and get the first share
